These interim financial statements cover Celeste Australian Small Companies Fund (the "Fund") as an individual entity. The Fund is an Australian registered managed investment scheme, which was constituted on 29 May 1998 and commenced operations on 31 May 1998. The Fund will terminate on 28 May 2078 unless terminated earlier in accordance with the provisions of the Fund's Constitution.

The Responsible Entity of the Fund is The Trust Company (RE Services) Limited (ABN 45 003 278 831) (AFSL 235150) (the "Responsible Entity"). The Responsible Entity's registered office is Level 18, Angel Place, 123 Pitt Street, Sydney, NSW 2000.

The investment manager of the Fund is Celeste Funds Management Limited (the "Investment Manager").

The investment objective of the Fund is to produce returns which exceed the benchmark over rolling five-year periods. The Fund principally invests in a portfolio of smaller companies, trusts and other entities listed on the Australian Securities Exchange ("ASX") that fall outside the S&P/ASX 100 Index in accordance with the Product Disclosure Statement and the provisions of the Fund's Constitution.

The interim financial statements are for the half-year ended 31 December 2020. The interim financial statements are presented in the Australian currency.

The interim financial statements were authorised for issue by the directors of the Responsible Entity (the "Directors of the Responsible Entity") on 10 March 2021. The Directors of the Responsible Entity have the power to amend and reissue the interim financial statements.

## **2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these interim financial statements are set out below. These policies have been consistently applied to all periods presented, unless otherwise stated in the following text.

### **(a) Basis of preparation**

These interim financial statements have been prepared in accordance with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

These interim financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these interim financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2020 and any public announcements made in respect of the Fund during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current. All balances are expected to be recovered or settled within 12 months, except for investments in financial assets and liabilities.

### **(b) Significant accounting policies**

The accounting policies applied in these interim financial statements are the same as those applied in the Fund's financial statements for the year ended 30 June 2020.

There are no other standards, interpretations or amendments to existing standards that are effective for the first time for the half-year beginning 1 July 2020 that have a material impact on the amounts recognised in the prior periods or will affect the current or future periods.

### **(c) Rounding of amounts**

The Fund is an entity of the kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Report) Instrument 2016/191* issued by the Australian Securities and Investments Commission (ASIC) relating to the "rounding off" of amounts in the interim financial statements. Amounts in the interim financial statements have been rounded to the nearest thousand dollars in accordance with that *ASIC Corporations Instrument*, unless otherwise indicated.

### 3 Fair value measurement

The Fund measures and recognises the following financial assets at fair value on a recurring basis.

- Financial assets at fair value through profit or loss (FVTPL) (see Note 5)

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 *Fair value Measurement* requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1),
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2), and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

*(i) Fair value in an active market (level 1)*

The fair value of financial assets and liabilities traded in active markets (such as listed equity securities) is based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs.

The Fund values its investments in accordance with the accounting policies set out in Note 2 to the interim financial statements. For the majority of its investments, information provided by independent pricing services is relied upon for the valuation of investments.

The quoted market price used to fair value financial assets held by the Fund is the last-traded price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

*(ii) Recognised fair value measurements*

The following table presents the Fund's financial assets measured and recognised at fair value as at 31 December 2020 and 30 June 2020.

<b>As at 31 December 2020</b>	<b>Level 1 \$'000</b>	<b>Level 2 \$'000</b>	<b>Level 3 \$'000</b>	<b>Total \$'000</b>

<b>Total</b>	<b>58,877</b>	<b>-</b>	<b>-</b>	<b>58,877</b>

### 3 Fair value measurement (continued)

*(iii) Transfers between levels*

The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

There were no transfers between the levels in the fair value hierarchy for the half-year ended 31 December 2020.

*(iv) Fair values of other financial instruments*

The Fund did not hold any financial instruments which were not measured at fair value in the Statement of Financial Position. Due to their short-term nature, the carrying value of receivables and payables are assumed to approximate fair value.

## 6 Net assets attributable to unitholders

Under AASB 132 *Financial Instruments: Presentation*, puttable financial instruments that meet the definition of a financial liability are to be classified as equity where certain strict criteria are met. The Fund has elected into the AMIT tax regime and consequently the Fund's Constitution has been amended. The Fund does not have a contractual obligation to pay distributions to unitholders. Therefore, the net assets attributable to unitholders of the Fund meet the criteria set out under AASB 132 and are classified as equity.

Movements in the number of units and net assets attributable to unitholders during the half-year were as follows:

	Half-year ended		Half-year ended	
	31 December	31 December	31 December	31 December
	2020	2020	2019	2019
	No. '000	\$'000	No. '000	\$'000
Opening balance	18,604	60,357	22,253	76,596

<b>Closing balance</b>	<b>18,708</b>	<b>78,653</b>	18,638	70,250

As stipulated within the Fund's Constitution, each unit represents a right to an individual unit in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

### Capital risk management

The Fund classifies its net assets attributable to unitholders as equity. The amount of net assets attributable to unitholders can change significantly as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Fund's underlying assets by the Investment Manager. Under the terms of the Fund's Constitution, the Responsible Entity has the discretion to reject an application for units and to defer or adjust any redemption of units if the exercise of such discretion is in the best interests of unitholders.

## 7 Distributions to unitholders

Distributions are generally paid semi-annually. Such distributions are determined by reference to the net taxable income of the Fund.

The distributions for the half-year were as follows:

	Half-year ended		Half-year ended	
	31 December	31 December	31 December	31 December
	2020	2020	2019	2019

<b>Total fees to Ernst &amp; Young (Australia)</b>	7,725	7,500
<b>Total auditor's remuneration</b>	7,725	7,500

The auditor's remuneration is borne by the Investment Manager and not re-charged to the Fund. Fees are stated exclusive of GST.

## 9 Significant events during the half-year

The Directors continue to assess the potential financial and other impacts of the coronavirus (COVID-19) outbreak to the Fund. The current high-level of uncertainty regarding the severity and length of COVID-19 on investment markets has impacted investment outcomes and increased volatility in investment performance during the period.

At the date of signing, the future impacts of COVID-19 on global and domestic economies and investment market indices, and their resulting impact on the Fund are uncertain. The Directors and management will continue to monitor this situation.

There were no other significant changes in the state of affairs of the Fund that occurred during the period.

## 10 Events occurring after the reporting period

On 1 February 2021, Glenn Foster was appointed as a Non-executive Director of The Trust Company (RE Services) Limited.

The Directors are not aware of any other event or circumstance since the end of the half-year not otherwise addressed within these interim financial statements that has affected or may significantly affect the operations of the Fund, the results of those operations or the state of affairs of the Fund in subsequent periods. The Fund continues to operate as a going concern.

## 11 Contingent assets and liabilities and commitments

There are no outstanding contingent assets, liabilities or commitments as at 31 December 2020 and 30 June 2020.

## Directors' Declaration

In the opinion of the Directors of the Responsible Entity:

- (a) the interim financial statements and notes set out on pages 6 to 15 are in accordance with the *Corporations Act 2001*, including:

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Fund's financial position as at 31 December 2020 and its financial performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the Fund, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
